PAREX

A SIKA COMPANY

EPOXY FLOORING:

Features

- ❖ Forms jointless flooring
- ❖ Non dusting and easily cleanable
- ❖ Hygienic
- ❖ Very high mechanical strength

Benefits

- ❖ Excellent chemical resistance
- ❖ Hard wearing
- ❖ Excellent antiskid properties

CAR PARKING FLOORING:

Benefits

- ❖ High wear resistance
- ❖ Dynamic and static crack-bridging properties
- ❖ Chemical resistance
- ❖ UV stability
- ❖ Rapid-curing

YELLOW LINE MARKING:

Benefits

- ❖ Organized work environment
- ❖ Prevents product loss
- ❖ Identify areas of a facility easily

PU CONCRETE FLOORING:

Features

- ❖ Flooring resembles as marble or granite
- ❖ Easy maintenance
- ❖ High quality laminate flooring
- ❖ Resistant to thermal shocks
- ❖ Resistant to wear and impact
- ❖ Rapid return to service

SPORTS FLOORING:

Features

- ❖ Easy Clean
- ❖ Skid Resistance
- ❖ Weather Resistance
- ❖ Crack resistance
- ❖ Water Resistance

Benefits

- ❖ Better impact absorption
- ❖ Easy maintenance
- ❖ Better for the environment
- ❖ Reduced chances of accidents
- ❖ Better Durability & resilience

5S MARKING:

Benefits

- ❖ Provide visual cues for proper location
- ❖ Transmit important messages - such as extreme caution area

COOL ROOF COATING:

Benefits

- ❖ Outstanding Protection for the Roof
- ❖ Reduced Energy Cooling Usage and Cost
- ❖ Decreased Life-Cycle Costs
- ❖ Better Comfort and Productivity
- ❖ Environmentally-Friendly

ROOF WATERPROOFING:

Benefits

- ❖ Longevity
- ❖ Cost savings
- ❖ Energy efficiency
- ❖ Lower humidity
- ❖ Low maintenance
- ❖ Easy installation

PU FLOORING:

Features

- ❖ Cost effective
- ❖ Good abrasion resistance

Benefits

- ❖ Versatility
- ❖ Protection
- ❖ Limited Risk

CEMENTITIOUS FLOORING:

Benefits

- ❖ Prevent Further Damage
- ❖ Reduce Risk of Injury
- ❖ Maintaining Appearances
- ❖ Staying Functional
- ❖ High on Utility

EPU FLOORING:

Benefits

- ❖ Food grade certified product
- ❖ Easy Clean
- ❖ Glossy look

CEMENTITIOUS FLOOR REPAIR:

Benefits

- ❖ Increased flooring thickness
- ❖ Strengthen the weak and fragile concrete
- ❖ Reduced wear and tear on equipment
- ❖ Reduced repair costs for finished construction
